Fortuny Hogares Únicos presents this exclusive new construction project on the beachfront in one of the most exclusive areas of Málaga in one of the most exclusive areas of Malaga East, Paseo de Sancha. A development that stands out for its architecture with simple and modern lines, respecting the original beauty, with an integral rehabilitation. An exclusive residential of four two and three-bedroom homes with sea views and terraces, ample spaces and excellent qualities.

Location

The luxury property is located in the prestigious area of Paseo de Sancha, one of the most consolidated areas of Malaga East. The residential area offers all amenities, such as sports, health, education, leisure and restaurant facilities. The area is excellently connected to the main roads and has easy access to public transport stops. Within a few minutes' walking distance, you will enjoy emblematic places such as the Historic Centre of Malaga, La Malagueta, Muelle Uno and Calle Larios which are ideal for leisure and culture in Malaga.

Distribution

South facing, it has a constructed area of 166m2 including the communal areas, 112m2 of living space, a terrace of 7m2 and is distributed in an entrance hall with fitted wardrobes and laundry area, a spacious and bright living-dining room with access to a covered terrace; an open plan kitchen open to the living room fully furnished with high and low furniture, three bedrooms with fitted wardrobes. The master bedroom has a dressing room and an en-suite bathroom, a second complete bathroom that serves the rest of the rooms.

Qualities

The property has the highest standards of construction and excellent luxury qualities. Among them, we highlight the armoured wooden access door with wood finish towards the common area and veneer towards the interior of the property. Façade with thermal and acoustic insulation of mineral wool. The production of DHW, air conditioning and heating is solved using a centralised aerothermal system with high energy efficiency. The heating is provided by Uponor underfloor heating, while the air conditioning is provided by an individual Daikin heat pump. Double-glazed windows with high acoustic performance fitted with a solar control layer to avoid excess solar radiation when necessary. The flooring is continuous, large format 80x80 porcelain tiles, indoors and outdoors (non-slip), with 'ad hoc' lighting. Fully fitted kitchen equipped with electrical appliances: washing machine, dishwasher, fridge, sink, oven, induction hob, extractor hood and microwave, Bosch or similar in neutral tones. Within the qualities chosen in Porcelanosa, each client will be able to design their kitchen or personalise it to their taste.

Common areas

The communal areas have a pleasant swimming pool. The property has a parking space with an electric vehicle charger and a storage room.
